Please answer the following questions on a separate document.

- 1) How did you find out about White Roof Project and what aspects of WRP most interest you?
- 2) Why do you think you're a good fit? Please list relevant experiences you would draw from and strengths you could bring to the position you are applying for.
- 3) Serving as a coordinator for WRP is a significant time commitment. How committed will you be as a coordinator -- how would you be able to fit your leadership responsibilities within your current schedule? Please list your commitments outside of your employment (i.e. leadership positions in other organizations).
- 4) WRP coordinators are initiative takers and are given a large voice in the organization, including the ability to help shape our operations and behavior. Can you provide some concrete examples of initiatives you would like to undertake before the end of the year or how you plan to creatively fulfill your coordinator duties?
- 5) What 3 (three) issues would you consider most important to environmentally focused nonprofits and advocates?
- 6) WRP is a specialized nonprofit group that targets volunteers, media and communities to get them involved in both white roofing and the sustainability movement. How can this brand be used effectively to implement change on the issues you identified in #5 above?
- 7) (Optional) Is there anything else you think the Board should know about you before reviewing your application?
